DARLING NELLIE GRAY

G C

There's a low green valley by the old Kentucky shore

G D7

Where we've whiled many happy hours away

G C

A sitting and a singing by the little cottage door,

G D7 G

Where lived my darling Nellie Gray

C G

Oh my poor Nellie Gray They have taken you away

D7

And I'll never see my darling any more

G C

I'm a sitting by the river and I'm weeping all the day

G D7 G

For you're gone from the old Kentucky shore.
